Disco. Idaho, Jan. 27.—Negotiations were practically completed here today whereby the Bolse franchise in the Union association, the local club and the ball park will be transferred to Maury R. Evans of Salt Lake City. Ipon Mr. Evans's return to Salt Lake it is expected the final details of the deal will be closed. President W. N. Sweet of the Bolse Baseball club, and the directors were in conference with Mr. Evans last night and all of today and authorized this announcement here tonight.

Evans, accompanied by Dr. Harvellle, who is behind the Murray cluub in the Union association, came here yesterday to go over the Bolse situation, left tonight for Salt Lake.

Directors of the local club refused to give out the consideration agreed upon it is believed that if Evans finally closes, it will be for \$2000. Who Evans will place in charge of his interests here he would not state. He agreed at the directors' meeting of the league at Butte recently to put up \$2000 in cash to assure Bolse to the league. While here he visited the Bolse park, one of the finest of minor league parks in the west, and talked freely with business men. Both Evans and Dr. Harvellle appeared to be greatly pleased over the favorable baseball conditions here.

Evans carefully covered his plans upon his arrival bere and local directors had no intimation that he intended to make an offer for the franchise. The fact that the Bolse place over the debt and wish to get out made Evans's offer, which came this afternoon, look good. More than \$2000 was raised among local fans on subscriptions in less than a week, but lind was not enough to pay off all the indebtodness.

The directors of the local club are said to have been divided on the Evans bid.

The directors of the local club are said to have been divided on the Evans bid, a minority favoring local control. If Evans closes the deal they will bow to the will of the majority.

#### VARSITY OUINTETTE MEETS B. Y. C. FRIDAY

The practice game scheduled for yesterday afternoon between the university onintette and the Granite high school was not played, as Coach Ashton of Granite fears that with the opening of the high school league scanon so close at hand some of his men might be injured.

The game between the varsity and the H. Y. C. of Logan had been scheduled for Friday afternoon on the Y. M. C. A. floor, but Coach Bennion was unable to get the "Y" floor for that time, so he has transferred the game to the university gymnasium, and changed the time div gymnasium, and changed the time to 7:50 o'clock in the evening.

## COAST FANS REGARD GALLANT AS COMER

Clever Lightweight Makes Good Impression in Training for Burns Bout.

By W. W. NAUGHTON. SAN FRANCISCO, Jan 27.-When

Greek meets Greek, then comes the tug-

And when a visiting lightweight, who is hoxing for the first time in the presence of a number of San Francisco sporting writers, hooks up with a youngster who also has very urgent reasons for wishing to impress the critics referred to favorably, something is sure to happen. It happened today out at Millett's, where Gilbert Gallant is in training for his match with Frankle Burns at Dreamland next Friday night. Gallant wanted to put his best foot and his best fist forward for obvious reasons. Willie Hoppe's reasons need explaining.

Willie up to a half year or so ago, was the especial pet of the Friday night boxing fans. Someone dubbed him "Perpetual Motion" Hoppe Once white acting as a sparring partner for Ad Wolgast, he knocked the Michigan wildent flat with a crushing right hander, and after that Willie's reputation as the stormy petrel of the four-round belt increased. ence of a number of San Francisco sport-

stormy petrel of the four-round belt increased.

But Wille encountered bad luck: While discharging a toy cannon last Fourth of July he became the victim of an explosion which necessitated the amputation of certain finger joints.

It meant, of course, his temporary refirement as a glove man and it looked, for that matter, as though he would be out of the boxing game permanently. Hoppe's injuries healed, however, in time and for months past he has been training and sparring, preliminary to asking the police committee of the supervisors to sanction his being placed once more on the active service list as a boxer.

The committee has the matter under advisement and today Hoppe endeavored to imbut the sporting scribes with the belief that the Fourth of July accident has not impaired his usefulness as a discenser of hooks and uppercuts. He successions

has not impaired his usefulness as a dis-penser of hooks and uppercuts. He suc-ceeded admirably.

What with Gallant desiring to estab-

lish himself and Hoppe desiring to re-establish himself, the spectators saw a couple of rounds of a notably earnest

character.

Interest centered in Gallant and he soon showed that he is a typical infighter. He ducks occasionally and he also has the trick of timing the coming of blows and pulling his head away, but in the main he leans toward his man and gives punch for punch. He is sturdily built, has a good neck and is inclined to be bowlegged. He is of short stature and keeps himself well balanced even while singling.

CHICAGO, Jan 27.—Ralph De Palma, present holder of the Vanderbilt cup and recognized as one of the leading road pilots of the world, has resigned as captain of the Mercar racing team, because he objects to Barney Oldfield being on the team with him, according to Fred J. Wagner, the well-known motor race starter, who arrived here today from the cast. Wagner said that the Italian driver will likely hook up with E. J. Schrieder, the Naw Jersey millionaire, whose Mercedes De Palma drove in 1912. The veteran starter did not go into details as to why De Palma objects to Oldfield.

BRISTOL, R. I., Jan. 27.—An inspection of the materials to be used in the construction of the America's cup defender, being built here by the so-called Flag Officers' syndicate, was begun today by the designer. Nat Herreshoff, preparatory to his departure for Bermuda.

Mr. Herreshoff said work was progressing so well that it would not be necessary to remain here. He expects that the boat will be plated from stem to stern when he returns on April 1. Sydney Herreshoff, the designer's son, will supervise construction during his father's absence.

Dundee and Shugrue Win Over Moran and O'Neill; Levinsky Victor Again.

weights in England, both went down to defeat.

Moran, who has just returned from conquests in Australia and California, auit at the end of the seventh round of his slashing fight with Joe Shugrue of Jersey City. Moran said Shugrue had fouled him earlier in the round. The referee had seen the blow and had not deemed it foul. Anyway, the pace was gradually telling on Moran and Shugrue was forging to the front. It was clear that Moran is not the man he was when he made his unmatched record of knocking out "Battling" Nelson.

Johnny Dundee dealt a terrific body lacing to "Sapper" O'Neill, who has won every bout he fought in this country up to tonight. In the last round the "sapper" shook Dundee with three solld punches to the face, proving his recuperative powers, but nevertheless he was a badly beaten boy at the finish. And his conquerer weighed 125 pounds against "Sapper's" surprising bulk of 135.

NEW YORK, Jan. 27.—"Rattling"
Levinsky engaged in his favorite diversion tonight at the Atlantic Garden A.

C., said diversion consisting of disarranging the features of so-called white hopes. "Soldier" Kearns was elected as the victim and the military man acted the part to perfection.

Kearns weighed 200 pounds while Levclusky scaled in thirty pounds less. Kearns did naught but show his bulging muscles, for during the len rounds he landed only three clean punches.

Levinsky showed no regard for the feelings of the much-heavier Kearns, for he started a flow from the nose in the sixth which annoyed the soldier up to the finish.

The battler was convincingly.

The battler won convincingly, as he led in the second, fifth, sixth, eighth, ninth and tenth rounds. The other rounds were fairly even. Levinsky had Kearns staggering in the tenth from a series of right uppercuts.

This game will be played in the Granite Symnasium on the evening of February 6. A dance will follow. The Cedar City boys have played few games this season, but they had a good team last year and practically all the old material has returned to school this year.

The Granite boys have been put to the extreme test of their ability for the past two nights. It will be a "scrappy" bunch that meets the L. D. S. U. next Friday afternoon at 4:30 o'clock in the Deseret gymnasium. The Granite second team will play the Westminster college this afternoon in the Granite gymnasium, and is scheduled to meet the L. Bothner is conceded to be perhaps the greatest exponent of wrestling as an art, as well as being a powerful athlete. Scores of tricks known to wrestlers were invented and applied by Bothner, who, when Yokel was his pupil, taught the present world's champion the fine points of the game. So far as genuine wrestling on the mat is concerned, next Tuesday's match should be an exhibition of the highest order. #### SUPREME COURT RULES AGAINST FITZSIMMONS

NEW YORK Jan. 27.—The supreme court today denied the application of Robert Fitzsimmons, one-time heavy weight ring champion of the world, for an injunction restraining the New York Athletic commission from refusing to sanction his participation in boxing exhibitions in this state.

The commission heid that Fitzsimmons, who is 51 years old, is too old to enter the ring again. Justice Scabury ruled that the commission was within its rights in making such an order.

Counsel for Fitzsimmons said the case would be continued to higher courts. The present proceedings, they explained, merely sought an injunction pending further litigation.

Rival Promoters After Wolgast-White Go; Decisions in New York.

By SAM P. HALL.

By International News Service. CHICAGO, Jan. 27.-Milwaukee's lead ing boxing clubs are engaged in a merry battle for the services of Ad Wolgast Wolgast and Charley White are to fight s return match in Milwaukee some time in February. The club that gets Wol-gast will get White and the match will draw between \$10,000 and \$15,000. Hence

draw between \$10,000 and \$15,000. Hence the war of the promoters.

Tom Andrews, who stages his shows in the Auditorium, signed White to meet any 132-pounder on February 9. Thomas expected to get Wolgast for Charley. Tom Jones, Ads manager, gave Andrews his terms, but the promoter to date has not accepted them.

Today Frank Mulkern, who staged the first White-Wolgast match and the recent Rivers-Wolgast controversy in the Hippodrome, dropped into Chicago and visited Nate Lewis, White's mentor. He informed Lewis that under an agreement he had with Wolgast that Ad would fight for no other club in Milwaukee Lewis told him to get Wolgast and he

#### Will Decide Today.

Wolgast is due in town tomorrow morning from Cadillac. He leaves in the afternoon for Fond du Lac, where he fights Rudy Unholz a scheduled ten rounds Thursday night. He meets Manager Jones here and they are expected to decide which Milwaukee club gets the White match before they start for Fond du Lac.

Jones said tonight that so far as he knew Wolgast had no binding agreement with Mulkern to the effect that he would fight only before his club. He did not make the statement a positive one, however.
Tommy Walsh, manager of Joe Mandot, got back from New York today with some interesting information on the fixtle situation there. Said Thomas:

I would not be surprised to see them giving decisions in New York rings before long. The same there needs some sort of a tonic to keep up the public interest, and those who have made a study seem to think that decisions will be the very thing to revive waning enthusiasm.

#### Decisions Possible.

I understand there is some clause in the Frawley law that will permit a ruling by three men, two judges outside the ring, with the referee having the deciding vote. Anyway, I was told they plan to have decisions and expect some definite action soon.

decisions and expect some definite action seen.

Mandot fought a great fight with Lore and the fans went wild over his pivot blow. It's not the old foul pivot punch that La Blanche used, but a perfectly legitimate punch. Dundee and Shugrue were on the same card and they put up a great fight. Dundee has improved wonderfully and Shugrue is a wonderful fighter. I challenged the pair of them on behalf of Charley White and Mandot. White to fight Dundee and Joe to muss with Shugrue, and they may put it on as a double windup at the Garden in March.
